

Kindling Dreams Educational Center
Information Sheet

Bible-based, classical education based on the child's interests and learning style, using nature as the foundation.

KD provides study materials. There will be sessions each morning for all to attend. In the afternoon, the student will have time to explore their own interests, working on their own educational pursuits, under the guidance of the teacher. Ms Dilling will be available for student help during regular school hours (7:30 a.m. – 3:30 p.m.) Email help will be available until 7 p.m.

The curriculum will focus on helping the student develop a strong spiritual foundation and learning the needed skills to thrive in the upcoming days.

Classes are available online and face-to-face. ***No masks will be worn in f2f meetings. KD believes in teaching the child how to build a robust immune system rather than being fearful of the bacteria we encounter on an hourly basis. We will be careful in sanitizing using natural cleaners without overloading the body with chemical toxins. We believe children should be allowed to be children, while learning to be the person God created them to be.

Because Ms Dilling teaches from a whole-body perspective, she will be working with the parents to discuss the best overall dietary choices to give the student the best opportunity for learning and a healthy brain. [Tuition includes Amare Kid Pack to improve gut/brain connection.]

Each student will be able to progress at their own pace. If extra help is needed, that will be supplied to the best of our ability.

Class times: (Class size limited so each child can receive the needed personalized instruction.)

M-Th: 7:30-12 (In person and online available.)

Afternoons and Fridays are for independent learning projects.

Tuition:

In person: \$400 [Includes Amare Kid Pack]

Online: \$300 [Includes Amare Kid Pack]
